

## Mediation Awareness Week

16<sup>th</sup> – 22<sup>nd</sup> October 2017

Everyone knows the saying ‘**prevention is cheaper than the cure**’. When it comes to workplace conflict this could not be more true. Conflict, if unresolved, leads to bigger problems such as grievances, disciplinary procedures, investigations, sickness absence and demotivation in the workforce.....

**Do you want to nip problems in the bud? Need help with workplace conflict?**

- **Workplace Mediation Training** Yorkshire Mediation can provide **training** to help you manage conflict and handling difficult situations in house, before they escalate.
- **Impartial Workplace Mediators** Yorkshire Mediation also have trained, experienced Workplace Mediators who are available to assist with existing workplace conflicts.

We are offering all new enquiries for mediation services or training a **DISCOUNT** in support of Mediation Week. Quote “**Mediation Week**” to our office staff before November 30th 2017!
